

This is an online, searchable public access catalog for all books, audiovisual materials, and District databases in Broward County Schools.

### **School & Home Access URL:**

<http://destiny.browardschools.com> or BEEP Student Portal (Doorway 2)

Always login via your school location, first time in, bookmark site.

District personnel login under Learning Resources & Instructional Materials Destiny site.

**Students:**                    **login** = 10 digit student number  
                                      **Password** = birthdate with slashes (e.g., 06/22/1993)

**SBBC Employees:** **login** = p+8 digit ID no. (e.g., p00012345)  
                                      **password** = 8 digit ID number (e.g., 00012345)

Destiny features that support reading instruction:

#### **Student interface Destiny Quest:**

1. Students can narrow their search by author, subject, genre, series, awards, language, format, location and identify Accelerated Reader information electronically.
2. Students can easily tap into District online subscription databases (Grolier, Worldbook, Gale, Sirs, Teaching Books.net) by using One Search feature.
3. Students and teachers can create lists to collect, gather, share and cite information for research or enrich curriculum content.
4. Title Peek feature allows students to preview book electronically.
5. Virtual shelf browsing allows students to see what is sitting next to book on the shelf in the library from home and school.
6. Students can rate, write and upload video booktalk reviews that will appear in the school's online catalog when title is pulled up.
7. Quest Interface pulls data for "Top Ten" books circulating in school library and promotes new arrivals.

**Teacher Interface:** Standards Search with curriculum alignment to district resources, accessing district databases via one search, ability to create resource lists for students

**New this year:** All GALE Resources: Read aloud and MP3 download feature  
World Book Advanced– E-BOOK resources for classic literature  
Curriculum
